

Our home could be yours for \$50!

Free and clear of all debt, and with 100% instant equity!

You got it...we're not selling our home, we're giving it away! For every \$50 you spend on our ad-based virtual billboard, you will receive an entry into our home give-away drawing. Our virtual billboard contains 10,000 ad-blocks; each one selling for \$50. We must sell a minimum of 5,000 ad-blocks to validate our home give-away drawing. You can use your ad-blocks however you like — some choose to advertise a business (i.e. legal practice, dental practice, place of work, taxidermy, Mary Kay, Avon, etc.); while others simply choose to share a personal or inspirational message. If we don't reach our goal of 5,000 ad-blocks before the promotion deadline, we will have a cash prize drawing equal to 50% of the collected ad revenues (less a 7% administrative/processing fee). The remaining balance will be donated to our designated 501(c) non-profit.
